

# Emcee in the Spotlight

**atex**  
the attendee experience co.

Introducing one of the team; energise, engage and build Rock Star teams with Mark Kamp. No one else in the industry is doing what Mark is doing. He is unique, effective, and results-driven.

## **Where in the world are you based, Mark?**

Las Vegas, Nevada in the USA

## **Tell us about your journey to becoming a professional emcee. Why did the profession call to you?**

It was done organically. I have had a lifelong career as a mobile and radio DJ, International Touring Entertainer, performer, professional keynote speaker, and Las Vegas Headliner. Because of my energy, level of audience interaction, and crowd engagement I naturally was asked to constantly emcee and be an auctioneer.

## **What types of events do you look forward to working on?**

I enjoy working with clients who understand the importance of music, engagement, and fun injected into a meeting. One who is open-minded to new ideas and trying new ways of doing things. I love the energy of large audiences and the connection and intimacy of smaller groups. It has to be a two-way street of trust.

## **What motivates you to do what you do?**

Each morning I wake up with passion and purpose. Our time on this planet is very limited, so I live each day as if it were my last. Infecting everyone I can with love, energy, knowledge, and wisdom. I am a Christian, Husband, Father, Loud Speaker, and a Rock Star. Let's rock this world.

## **What is your biggest accomplishment as a professional emcee?**

Always over-delivering to the client's expectations. Practicing patience and never panicking. It's a great compliment when you get asked back for the same client.

*Marvelous Mark*

## **What is #1 your top event planning tip?**

Communication, communication, communication!  
If you want a seamless event and have your emcee rock the house and save the day, then we need to be included in the conversations, values, and goals need to be clearly stated, and plenty of rehearsal time.
